SENATOR CLARK: That's strictly a corrective amendment to the other amendment. That was brought to me by the staff. That's an amendment to the amendment.

PRESIDENT: Anyone wish to speak to the amendment to the amendment? The question is the adoption of the amendment to the amendment. Record your vote. Record.

CLERK: 29 ayes, 0 nays.

PRESIDENT: The amendment is adopted, Senator Clark, ... the amendment to the amendment.

SENATOR CLARK: I move the amendment, as adopted to the bill ... to 275, I think Senator Luedtke would like to speak to it.

PRESIDENT: Senator Luedtke.

SENATOR LUEDTKE: Now we're speaking to the amendment as amended. Mr. President, members of the Legislature. I concur with what Senator Clark said. The respective committees did work out an agreeable amendment to LB 275, which is a very important bill concerning rights, due process granted by the United States Supreme Court in a case that occurred right here in Lincoln, Nebraska. This merely adds clarification and makes it certain that grievances, referred to in LB 275, will be given the same kind of due process attention. It also refers to outside investigation which I will just mention briefly because it will come out in another bill introduced by Senator Clark which deals with the Ombudsman or the State Council to allow outside investigation into grievances or matters brought to the attention of the administration ... by inmates in the penal institutions. This is another matter, however, there's reference made in the bill so that this bill will be able to take care of all these matters, once these laws are passed.

PRESIDENT: Any further discussion? Senator Clark, this is your amendment. Do you wish to close?

SENATOR CLARK: I don't have any closing, Mr. President. I just move the adoption.

PRESIDENT: OK. The question is the adoption of Senator Clark's amendment as amended. Record your vote. Have you voted? Record your vote. Record the vote, Mr. Clerk.

CLERK: 28 ayes, 0 nays.

PRESIDENT: The amendment passes.

CLERK: That's all, Mr. President.

PRESIDENT: Senator Clark, do you want to move the bill?

SENATOR CLARK: Yes, I move it to E & R engrossing.

PRESIDENT: You've heard the motion. All those in favor say aye, contrary say nay. The bill is advanced. LB 409.
